UNIVERSITY

UNIVERSITY OF LOUISVILLE - PANAMÁ

Quality Leadership University is a private university founded in Panama in 1997 . To this date, more than 2,000 Panamanians and professionals from around the world have culminated their Bachelor's and Master's degrees in six different areas, studying completely in Panama. Today, more than 1,000 students are enrolled in our Undergraduate and Graduate Programs, as well as in our English for Success and Executive Education programs.

Quality Leadership University has collaborative agreements for graduate and undergraduate academic programs with the following prestigious universities: University of Louisville, Towson University, Illinois State University, Florida International University, Universidad de Chile and Universidad Politécnica de Madrid.

Mission
To educate at the highest academic level more and better leaders and professionals who will actively contribute to the region's development.

Vision
To be highly recognized as one of the most important higher education institutions in developing professional and leadership talent for the region's corporations and organizations.

Values
Leadership as a way of life
Quality in all we do
The highest academic level
Transformational Education
Respect for diversity
Passion for service
Innovative Differentiation

Top Rankings

Florida International University is worlds ahead in its service to the community, as Miami's first and only four-year public research university. With a student body of more than 55,000, FIU is the 7th largest university in the nation. Ninety-six percent of the university's full-time faculty hold doctorates or the highest degree in their field. FIU is currently #1 in the nation in awarding bachelor's and master's degrees to Hispanic students.

Students have a unique opportunity to obtain an undergraduate degree by transferring their credits from Quality Leadership University in Panama to the prestigious School of Business of Florida International University in Miami, ranked 7th in the USA in international business programs.

How can you obtain these degrees?

The students register to take courses at Quality Leadership University's programs in Panama to complete three years of education. Afterwards, during the fourth year of study, they transfer to FIU's College of Business in Miami to complete a minimum of 30 credit hours and obtain a undergraduate degree in Business Administration from Florida International University.
