Dear Prospective MBA student

Thank you for considering the Master of Business Administration (MBA) program that Illinois State University offers in Panama City, Panama in a dual degree agreement with Quality Leadership University. We are confident that our successful program will help you to advance your academic and professional career.

Choosing the right MBA program for you may be a challenging task, but we believe that the joint MBA program between Illinois State University and Quality Leadership University is a very viable choice for many. Our program is competitive in terms of the quality, reputation, flexibility, location, and cost. We offer an AACSB-accredited curriculum delivered by an excellent group of dedicated faculty in a state-of-the-art facility with cutting-edge technology.

Our program has been consistently recognized as one of the best by prestigious institutions such as The Princeton Review, U.S. News & World Report and Businessweek. In particular, The Princeton Review has ranked the Illinois State University MBA Program as one of the best business schools every year since 2007.

Whether you are interested in finance, marketing, organizational leadership, financial analysis and planning, business analytics, or project management, you will find our program relevant and suitable for your needs. Take advantage of the information presented in this brochure and on our website:

www.Business.IllinoisState.edu/MBA/.

I hope you will decide to join us. I believe that your experience in the program will be a positive and enjoyable one.

Dr. Terry Noel
Associate Dean for MBA and
Undergraduate Programs

ILLINOIS STATE UNIVERSITY

Illinois' first public university.

Founded in 1857, Illinois State University is the first public university of Illinois and Abraham Lincoln acted as the attorney for the board. Illinois State University's campus is in the twin-city community of Bloomington-Normal near the geographic center of the state, 137 miles southwest of Chicago and 164 miles northeast of St. Louis. The University is one of 12 public universities in Illinois. Its academic departments offer more than 160 major/minor options in the Colleges of Applied Science and Technology, Arts and Sciences, Business, Education, Fine Arts, and Mennonite College of Nursing. The Graduate School coordinates 41 master's, specialist, and doctoral programs. The University's academic programs are supported by the service and collections of Milner Library, which contains more than three million holdings and special collections.

Illinois State is accredited by the Commission on Institutions of Higher Education of the North Central Association of Colleges and Secondary Schools. The total enrollment is 21,039 students. More than 58% of undergraduate students come from the Chicago area and undergraduate and graduate students from 46 states and territories and 72 different countries. The University conferred 5,392 degrees in 2016. The University has 3,552 employees from which 1,210 are departmental faculty.

Illinois State made U.S. News & World Report's 2017 ranking of America's best public national universities, at No. 78, based on academic quality and excellence. Additionally, Illinois State was ranked by College Factual as the 22nd Best College for the Money out of 1,200 universities across the United States. The University's College Town in Bloomington-Normal ranks as one of the top 10 college towns in the United States based on its quality of life and arts and entertainment opportunities. Illinois State was named a Great College to Work For by The Chronicle of Higher Education.

The College of Business Illinois State University

The College of Business is among the elite top 2 percent of business schools in the world to have both business and accounting accreditation from the Association to Advance Collegiate Schools of Business (AACSB International).

Illinois State ranked among the Top 75 in Bloomberg Businessweek's Best Undergraduate Business Schools in 2016 -one of only three public business schools in Illinois to make the list. Illinois State College of Business is listed as one of the best in the Midwest by The Princeton Review and its Part-Time MBA is listed as one of the best in the United States by U.S. News & World Report.

The Sales Education Foundation consistently ranks Illinois State's Professional Sales Program among the top programs in the world.

Illinois State's insurance program was ranked No. 11 in the United States by U.S. News & World Report 2017. Illinois State is one of 43 business schools nationally recognized by the International Risk Management Institute Inc. Business Insurance recognizes Illinois State's undergraduate risk management and insurance program as the fourth largest in The United States.

The College of Business was one of the first participants in the United Nations -sponsored Principles for Responsible Management Education (PRME) initiative, a framework for academic institutions to advance socially responsible corporate behavior.

Illinois State touts the highest Certified Public Accounting (CPA) exam pass rate for public universities in Illinois.

Quality Leadership University was founded in 1997 to provide quality education and to prepare the leaders and professionals who will contribute to the development of the region. To this date, more than 3,000 Panamanian students and from around the world have completed their Bachelor's and Master's degrees in four different areas. With more than 1,500 students enrolled in undergraduate and master's programs, as well as in English for Professional Success and Continuing Education Programs, Quality Leadership University offers dual-degree programs in academic cooperation with world renowned universities such as: Illinois State University, University of Louisville, Florida International University, Universidad de Chile and Polytechnic University of Madrid.

Quality Leadership University is accredited by the National Council of Evaluation and Accreditation of Panamanian Universities (CONEAUPA) and is a member of the Association to Advance Collegiate Schools of Business (AACSB International) and The Accreditation Council of Business Schools and Programs (ACBSP), the Latin American Council of Business Schools (CLADEA), the Association of Private Universities of Panama (AUPPA) and the Association of Private Universities of Central America (AUPRICA).
